### Sailing among the icebergs

Saturday October 19<sup>th</sup> 13:00-15:30. Meeting time Hotel Arctic 12:45

Almost every visitor in Ilulissat chooses to try this boat trip among the icebergs at least once.

More than 40 million ton of ice flow out into the fiord 24 hours a day. The result is gigantic icebergs, which can be more than 100 metres on each side and with a height on more than 100 metres above the water surface. These giants strand at the end of the fiord, and that gives a good opportunity to sail among them. An exceptional experience, you do not want to be without, while visiting Ilulissat.

The icebergs are beautiful in every kind of weather; in the sunshine the contrasts are very clear, the blue shades are very beautiful, when it is cloudy and the midnight sun casts a unique glow on the icebergs during the night.

Remember to bring warm clothes or you can rent suit of sealskin.

### Hike to the old settlement by the icefiord

Sunday October 19<sup>th</sup> 13:00-15:00. Meeting time Hotel Arctic 12:45

The beautiful icebergs of Ilulissat create the wing for the abandoned settlement Sermermiut, which is situated one and a half kilometre south of the city. The different Inuit cultures have lived here during the last 4000 years, and today you can still find artefacts, which witness their presence. Hear the story about the life and the customs of the Greenlanders before the Europeans' arrival; see the ruins, the kitchen mitten, and feel the permafrost with your own hands.

Duration 2 hours
